

RECEIVES \$15,000 FOR REMEMBERING SUSPECT'S FACE

Edward Richardson.

Edward Richardson had seen at some time a picture of John Doughty, sought by police in connection with the mysterious disappearance of Ambrose J. Small, wealthy Canadian theatrical man. Recently the resemblance of a fellow worker in a paper mill in Oregon City, Ore., where Richardson worked, to Doughty's picture attracted Richardson's attention. He notified authorities. The man was taken into custody and Richardson has been notified he will receive the \$15,000 reward offered for the information.

DEMPSEY READY FOR BRENNAN GO

NEW YORK, Dec. 9.—Jack Dempsey, tiger man of the ring, is in tip-top fighting trim for his nearly hour with Bill Brennan. Jack admitted this afternoon, and his trainer, Ben Smith, backed up the champ's statement with a knowing shake of his ring-wise head. There will be no more heavy going for Dempsey until the going sends him in against Brennan next Tuesday at Madison Square Garden.

When asked if he expected to win from Brennan, he only smiled in a non-committal way. Yet in his smile there was a certain suggestion of confidence as to the outcome. But not the kind of confidence that mucks at bloated egotism. This was taken to mean that he had carefully weighed his own ability against Brennan and had deducted certain things. He would not have smiled this answer if there was an idea of defeat mixed up in his deductions.

APPEALS FOR HELP FOR CHINESE

WASHINGTON, Dec. 9.—President Wilson today issued a call for aid for famine-stricken China.

"Once more an opportunity is offered to American people to show their prompt and generous response with which they have invariably met the call of their brother nations in distress," the president declared in his appeal.

A nation-wide committee was named by the president to direct a campaign for funds on which he named William W. Lament of New York, as chairman.

WANT TO MAKE IT DOMESTIC ISSUE

WASHINGTON, Dec. 9.—The case of Ireland has become a domestic issue in the U. S. and if present conditions there continue to prevail, world friendship and world peace will be menaced, said a letter today from the commission on conditions in Ireland to the British embassy.

The commission expressed the hope that the refusal of the embassy to issue passports for the commission to visit Great Britain was not final.

IF MOTHERS ONLY KNEW

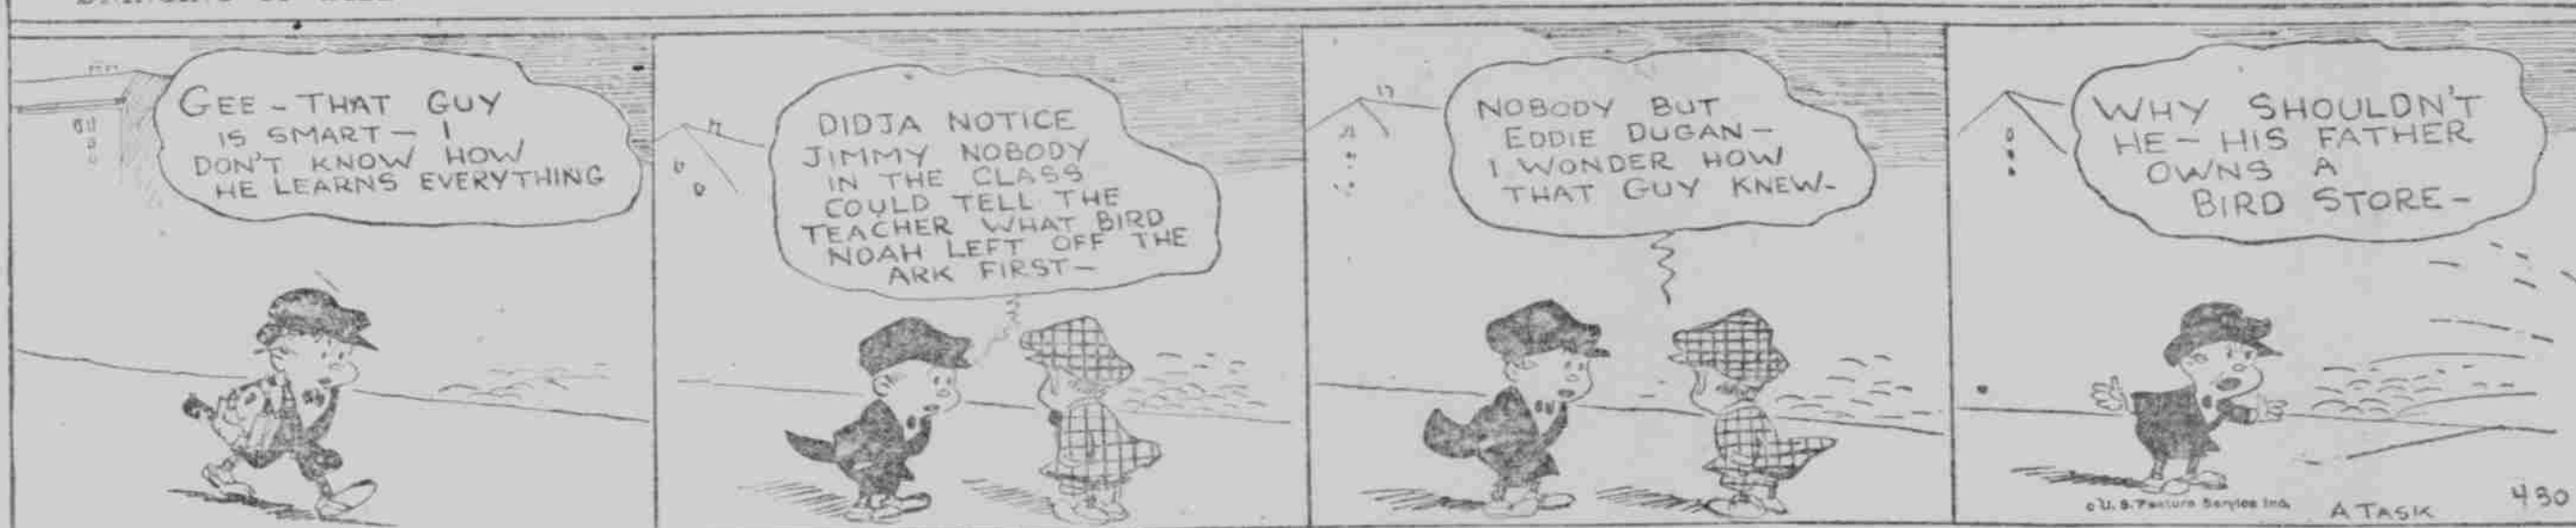

During these days when many children are complaining of headaches, feverishness, stomach troubles and irregular bowels, if mothers only knew what Mother Gray's Sweet Powders would do for their children, no family would ever be without them. These powders are so easy and pleasant to take and so effective in their action that mothers who once use them always tell other mothers about them. Sold by druggists everywhere.—Adv.
